NOTIFICATION

Corrigendum

The following communication, dated 17 August 2022, is being circulated at the request of the delegation of the United States of America.

Hazardous Materials: Harmonization With International Standards

TITLE: Hazardous Materials: Harmonization With International Standards; Correction

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), Department of Transportation (DOT)

ACTION: Final rule; correction

SUMMARY: The Pipeline and Hazardous Materials Safety Administration is correcting a final rule that was published in the Federal Register on 26 July 2022. The final rule was published to maintain alignment with international regulations and standards by adopting various amendments, including changes to proper shipping names, hazard classes, packing groups, special provisions, packaging authorizations, air transport quantity limitations, and vessel stowage requirements.
