In a communication dated 11 May 2023 (WT/DS536/19), the Panel informed the Dispute Settlement Body (DSB) that, upon a joint request from the United States and Viet Nam, it had further postponed the circulation of the final report in *United States – Anti-Dumping Measures on Fish Fillets from Viet Nam* until 16 August 2023.

On 14 August 2023, the United States and Viet Nam jointly informed the Panel that they still remained engaged in discussions with respect to the resolution of this dispute. In that context, they requested that the Panel further postpone the circulation of the final report until 15 November 2023.

The circulation of the final report has therefore been postponed until 15 November 2023.

I would be grateful if you would circulate this letter to the DSB.
