Description: On 23 February 2023, the California Energy Commission (CEC) published a Notice of Proposed Action (NOPA) with proposed regulations for Flexible Demand Appliance Standards for Pool Controls; the docket log is accessible at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=23-FDAS-01>. The CEC made documents available for a 45-day comment period ending 10 April 2023, and held a public hearing on 11 April 2023. The CEC made changes based on comments received and posted notice for an initial 15-day language revision (June 2023) for a 15-day comment period, from 23 June 2023 through 10 July 2023. Based on comments received during that written comment period, the CEC is proposing additional changes to the proposed regulations shared on 23 June 2023. Any interested persons are invited to review and provide written comments to the CEC for consideration during this second 15-day comment period from 1 September 2023, through 18 September 2023. The CEC appreciates receiving written comments at the earliest possible date. Comments submitted after 18 September 2023 are considered untimely and the CEC may, but is not required to, respond to untimely comments, including those raising significant issues.

WTO Members and their stakeholders are asked to submit comments to the [USA WTO TBT Enquiry Point](#) by or before [4pm Eastern Time](#) on 18 September 2023. Comments received by or before 18 September 2023 will be submitted to the CEC using its electronic commenting system and will also be shared by e-mail. Comments may be attached to an e-mail as a downloadable, searchable document consistent with 20 California Code of Regulations (CCR), section 1208.1. The maximum files size allowed is 10 MB. Include docket number 23-FDAS-01 and the notification symbol in the subject of the message and in the comments document.
